

SUNDAY 19TH JULY

Travel Instructions

Take J33 off the M1 and follow A57 (Parkway) into Sheffield for approximately 5 miles.

When the limit reduces to 40mph, keep left and continue into Sheffield following signs to City.

Keep in left hand lane, as road bears round to the left.

You are now on Arundel Gate. Stay in LEFT hand lane until you come to a roundabout. Take the first exit on to Furnival Street.

Take third left on to Arundel Lane. Follow signs to 'Hallam University' City Campus - Science Park.

The Science Park car park is at the end of Arundel Lane. Alternatively there is lots of on-street parking in the area. If both are full by the time you arrive, there is also a car park on Sidney Street which is marked above.

All the car parks and on-street parking should cost you just £1.00 for the day.
